

**Dear my business friends and personal Friends!**  
**May wish you all enjoy Merry Christmas for 2022!**  
**A Happy New year for 2023!**

**A Happy New year for 2023 especially requesting “Rightness” and “Justice” shall punish strictly “Evil big monster” as Banksy Draw throwing down by Ukraine kid judo.**

**This year, A Happy new year for 2023 January 1<sup>st</sup> or Feb. in China, We, say, 2023 is “A year for Rabbit”, a symbol of multiplication.**

With sincere thanks for The Creator of life, nature, the universe and The religious creators for people in the world transforming “Christ” to “God” as an incarnation 3 days after Christ crucified. I feel empathy.) and If you have Japanese Temple with big Temple bell found, closer from your home, then just better for you to visit the Buddhism temple and join with the parish people to stroke the bell together.

sharing with better if no good Temple close, then, search remote virtual Japan NHK TV or video copy to enjoy the Buddhism Temple parish people's ceremony of temple Bell ringing, up to counting 108 times praying for Buddha to control the 108 "bonno" (i.e.; human ego driven earthly desires and passions that are disturbing your mind) by the aid of "Bosatsu (a Bodhisattva, near to attain nirvana but delays doing so because of compassion for human suffering<Oxford>).

NHK Temple Bell visit program normally starts "23:30 of Dec.31st~00:30AM (JST) of Jan.1st, 2023" "Joyano kane" ("New year's bell").

"A Happy new year" and NHK will visit several famous Japanese Buddhism Temples and share with audiences those famous temples bell sounds, echoing of new year's other bells sound.

He, Shakyas, was born in either the mid-6c or mid-5c. B.C. as the prince of King Suddhodana of the Shakyas clan, near Kapilavastu in present-day Nepal.

At the age of 29 he left the royal palace to become a mendicant ascetic, and 6 years later, he got enlightened, transformed himself to "Buddha" to be fully "Awaken" and After attained enlightenment, he made 1st Sermon (Sho ten hou rin) to his followers. <[https://en.wikipedia.org/wiki/The\\_Buddha](https://en.wikipedia.org/wiki/The_Buddha)> at Sarnath.

First sermon was on "How to live rightly with the deep foundational awareness and understanding of the truth of truths that any being born with a life, without any exception, shall die, soon or later accepting 4 major truths of pains to live with including aging pains, Sickness pains and scaring pains for death accelerated by human mind 108 bonno (kleśa); pains in Sanskrit) and the "eightfold right path".

Now Today, if you look around the world, you will see much more agonies, Killings, betrays, no food nor energy in the middle of frozen winter.

We need a lot of 8 pains all piled up in the world and bleeding and die of hunger and hate battles are increasing.

If Russia did not try to conclude in peace, we should give Ukraine more freedom to attack even to a Russian energy-based facility places now in Winter. Eyes to Eyes. I would offer, any chance of all Christian join the merry Christmas for your families and friends including Ukraine people.

We Buddhism people join with 108 Temple Bell stroking a beautiful bell sound and any donation to Ukraine people praying” Please help Ukraine by Buddha’s power of Rightness and Limitless light power.

But More Importantly, I would like to write the 4 American Brotherhoods.

I am very much lucky that I met real smart Personal friend called each other brothers ;

#### **4 American Brother-ship Friends**

**1st Brother-ship** was **Jean F. Bulycz**, my 2 years senior by ages, Top Architect, CTO, of Insurance, Oil Exploration, Big Ban Project, trade Market, retired at Vp of Dow Jones Teletate, American Brothers from friends whom we talked 3 weeks ago since I met him at IBM NYC Financial Data Center 1962 summer to fall to test the 1401,1410 systems. I was with JAL, my customer. He was manager of Northern Insurance Co. We met and talked and since then, we became brother-ship #1.

**Jean F. Bulycz & Jack**

Today, I talked with him and confirmed, his father and mother both were Ukraine Agricultural Specialist but In Ukraine, on 1930, Russia influenced Communism revolution activities are to progress in Ukraine so his father decided to move to Paris, France, and 3 years later, he was born in France 1935, thus he got his middle name as Francois and When he became 17 his father decided to immigrate to USA on 1952 and Jean attend a Delphi University, NYC on business.

Today, I have to inform very sad news to my close friend that

#### **My #2 American Brother** since 1965~2022; **Late Bud Enright**

(Jan. 12 ,1937~Sep. 2022) was born 2 days later me. Almost my twin brother, died not by Covid19 but by strokes I heard.

**Late: Mary Enright (~Nov. 2020)** was born 2 days later me. Almost my twin

brother, not by Covid19 but by strokes I heard.

Late Bud & Late Mary Enright

He was young executive moving very quickly promoted from Branch manager to Industry marketing responsible in IBM-USA Division, starting Transportation, Healthcare, Medical and, when I was leading in Japan starting JNR, JAL, Container shipping, Trading, Retail, I need to get the best model of Application value and Capability which IBM had offered in US customers, using SOP and other strategic Packages. So we are very closely communicated, then he was promoted from Branch Manager up to DPD Industry Director. One year later, he became Assistant Executive VP reporting to IBM GROUP President covering FSD, OPD, and others but not IBM US Division so. So, I asked him to introduce, the best young smartest guy to replace my best contact in DPD and he introduced me.

After Bud left IBM to become CEO of Large Healthcare Company, and later CEO of Wavefront 3D Graphic Technology, was selected to Invest by CSK recommended by Bob Evans who became a leading partner of Silicon Valley VC. We, CSK invested and have them M&A with best competitor and IPOed with him.

***The 3rd Brother, Ed Lucente,***

Ed was 3 years younger than me who was just picked up by Frank Cary, promoted to the Director of Long Range plan for Corporate IBM, which is the special gold step to be the candidate position eligible to be candidate to the core IBM division president like DPD, Europe, Group Executive , So, instantly I asked Bud to introduce, the best young smartest guy to replace Bud, I met him in Armon.,

In a moment we became real good friend. The 3rd Brother, Ed Lucente was born, 3 years younger than me but who was just picked up by Frank Cary, promoted to the Director of Long Range plan for Corporate IBM, which is the special gold step to be the candidate position eligible to be the core IBM division president .

We as a family , met all kids and grand kids. Helaine is beautiful and kind.

***Ed & Helaine Lucente***

**The #4 Brother** was the newest brother, **Joseph Bergmann**, whom is my same age several months younger, US Army, AT&T Bell Lab, founder of Real Time Embedded Forum in The Open Group, I met after I founded ReGIS Inc., and became the gold member of The Open Group and the Japan Representative of The Open Group (NPO).

**Joseph Bergmann & Jack**

The record says I left Japan to attend San Antonio The Open Group Conference at Jan.26,2020~Feb.2,2020, which recorded as my 345<sup>th</sup> overseas trip since 1962.Now, I restarted my overseas trip to Scotland on Oct.15, 2020. I stayed in Tokyo Japan except 3 visits to Ryokeiji Temple services and 3 golf trips in Japan course but I had great happy experience of playing golf with The Open Group executives who are 30~50 years younger than me with a bit sunny day but Scottish North East Sea windy cold day on Oct.16 at tough Old course with bushy rough grass. We made presentation on Jan 19<sup>th</sup> on our progress of Standard proposal on O-DA and Japan Day.
