

***Dear my personal and business Friends!
May wish you all enjoy Merry Christmas for 2013 and
A Happy New year for 2014 with fine health and prosperity in your heart
and Business!***

Year, 2014 is a year of “Horse”. In Greek Myth, Hero Bellerophon with help of Athena and Poseidon, captured Pegasus and ride on to defeat the monster, the Chimera .However, he falls off horse’s back trying to reach Mount Olympus.

Thus, Zeus transformed him into the constellation as Pegasus placing him up in the sky. In Orient myth, Horse rider is deemed as the king expressing images of strong,dynamic power of dignity.(1)Globalization (2)Open for changes (3)Customer Centricity (4)Investment to Smart Social infrastructure development enabling above 3 directional changes in major heavy industries, energy and health.

(1) As I committed in last year, I am very pleased to have done a standard release of O-DA (Open Dependability Through Assuredness) version 1.0, the first Japan contribution to make standard at the Open Group, with great 2 year’s collaboration of Dr. Mario Tokoro as a leader, Dr. Shuichiro Yamamoto, Dr. Y. Yokote and Dr. K. Kuramitsu hard work shared with The Open Group RTES Forum members.

(2) I also, thank you all who supported this O-DA standard activity from the open group and RTES Members who vote for company reviews.

(3) This year, We should follow up with the global implementation of Use cases and lesson learnt from those cases to improve the standard guidance.

Taking this opportunity at this Christmas and New year season, let me extend my sincere gratitude for the support rendered by you, each members, friends and volunteers from the world ,and helped for me, ReGIS, The Open Group Japan and CRM association.

Lastly but not least, please accept my millions of thanks to my company fellows and associated researchers from 11 countries.

Yours sincerely,
