

Dear my personal and business Friends!

May wish you all enjoy Merry Christmas for 2015 !

A Happy New year for 2016 with fine health in your left brain, right brain and spirit in your personal, social and business life!

Year, 2016 is the year of Monkey, 9th year of Chinese Zodiac calendar. The birth years of 1944, 1956, 1968, 1980, 1992, 2004, 2016 shall have a good year this year. It says as follows;

“In 2016, Monkeys swiftly get the support they need from friends and family, making their wildest ambitions come true, provided they choose the right path and the most appropriate business partners.” But advises warning as well as follows; “Monkeys wishing to try luck during the year should rather think twice and properly assess the situation first. Results from their ventures could bring Monkeys both success and failures.

Regarding business. however, choose your partners carefully. There are some too successful business people of the Year of the Monkey ends in spending more. I am not Monkey year born but OX year born in Japan Calendar but in Chinese, I shall be in Rat year.

Yours sincerely,
